

Information: Presenters, booths, events

- A minimum of 48 hours notice for cancellations is requested
- King County will send you [the organization] a confirmation on our participation
- You – the organization – must send King County a confirmation of time, location/address, load/unload areas, parking and set-up needs (i.e. power point file, projector, laptop, tables, etc.)
- King County can cancel a presentation or event support due to emergencies that may occur in the wastewater service area. In such an event, we will make every attempt to provide a substitute presenter.

King County Wastewater Treatment Division provides free presentations for organizations in King County interested in topics related to wastewater treatment infrastructure and projects. The speaker's bureau program provides information that helps protect our regional water systems, our local environment and the health of our communities.
